

# State of the emerging private company financing market: Year in review

16 December 2020 | 10:00 - 11:00 PT  
10:00 AM - 11:00 AM Pacific Time (US & Canada)  
*Webinar*

## Webinar recording

Thank you for joining us for a virtual presentation by representatives from SEC-registered transfer agent Carta and DLA Piper, who discussed market trends in 2020 and legal frameworks for valuations and fundraising.

This exclusive webinar discussed the state of VC in 2020, including:

- Total rounds raised
- Deals by state and size
- 409A valuation trends
- Fundraising volume

## For more information

## About Carta

Carta is an SEC-registered transfer agent that helps companies issue, value and transfer securities. Founded in 2012, Carta began by helping private companies manage their cap tables. Since then, it has expanded into valuations, investor services and public markets. Carta now supports over 7,000 companies and 250,000 stakeholders and has valued over US\$200 billion in private assets.
