

4th Annual Managing Risk in Construction Contracts and Projects

The Canadian Institute

5-6 FEB 2019

12:00 AM - 12:00 AM

Hyatt Regency Toronto

*370 King St W,
Toronto, Ontario*

Howard Krupat will speak at The Canadian Institute's annual conference on managing risk in construction contracts and projects. In particular, Howard will be focusing on the early impact of Ontario's new *Construction Act*. Other topics of interest include: understanding new financing options for infrastructure projects, evolving government procurement models, the impact of recent case law, preventing scope creep and managing international projects.
