

Agricultural Finance

DLA Piper's agricultural finance practice has represented numerous financial institutions, hedge funds, cooperatives and agricultural development banks in Africa, the Americas, Asia, Australia and Europe in structuring complex agribusiness financial transactions. Our cross-border, multi-disciplinary agricultural finance team has closed billions of dollars of deals involving a myriad of agricultural commodities. We have particular experience advising clients in relation to animal health, cattle, coffee, corn, cotton, dairy products, ethanol, equine, fisheries, forestry, fruits and vegetables, grain, horticulture, lumber, meat and livestock, oats, oilseeds, palm oil, poultry, rice, soybeans, stock feed, sugar, viticulture, wheat and wool.

AUTRES COMPÉTENCES

- Finance

We have deep industry knowledge on a global basis of the intricacies in lending, securing collateral and restructuring transactions in the agricultural context. Our strong industry relationships in agribusiness trade organizations underpin our in-depth understanding of the industry's political climate and the likely impact of future regulation. This, combined with our experience, means we are well placed to partner with clients seeking to maximize economic and other opportunities in the agribusiness sector.

We advise on:

- Syndicated loan transactions involving commitments in excess of billions of dollars, both unsecured and secured by agricultural commodities
- Acquisitions, due diligence and organizational structuring
- Carbon and clean energy
- Freehold land and leasehold land ownership, including pastoral/agricultural leases in each state and territory
- Water entitlements and trading and other irrigation arrangements
- Land and vegetation clearance
- Industry-specific laws and regulators and industry compliance
- Hedging of agricultural commodities, including representation of debt issuers and swap counterparties
- Standards and certifications applicable to different industries, including organic certification for both domestic and export markets
- Environmental compliance
- Investment management agreements and property management agreements
- Relationship between the mining and energy sectors and the agriculture sector
- Weed and fire management
- Environmental, climate change adaption and carbon tax

- Native title and the relationship with traditional owners
- Access
- Supply and off-take agreements
- Agistment and share farming

CAPABILITES

Our lawyers represent some of the largest agribusinesses in the world in all aspects of the production, processing and distribution of agricultural commodities. Our services include:

- Debt financing
- Restructuring
- Derivatives
- Litigation and dispute resolution
- Mergers and acquisitions
- Regulatory and compliance
- Real estate
- Tax
- International trade issues

EXPERIENCE

Select Agribusiness Finance Representations

- Representing some of the world's largest financial institutions and agribusiness companies in secured and unsecured debt and equity arrangements with commitments in excess of billions of dollars and involving agricultural commodities located across the globe
- Advising **Australian Fresh Milk Holdings Pty Ltd**, a consortium comprising Freedom Foods Group, Leppington Pastoral Company and New Hope Dairy, in the establishment of a joint venture to invest in intensive dairy farming in Australia. The joint venture's initial investment is the acquisition of the Moxey family's dairy interests (comprising the largest dairy farm in the Southern Hemisphere) for AU\$85 million
- Advising the **a2 Milk Company Limited** on its dual listing on ASX
- Advising **Future Fund** on the establishment of a significant unlisted institutional investment fund (the PrimeAg Agricultural Fund) in conjunction with PrimeAg Australia Limited (an ASX-listed agricultural investor and operator) to invest in Australian cropping properties and water entitlements, including fund structuring as well as investment and asset (farm) management arrangements
- Advising **Ebro Foods S.A.** (Spain's largest food producer) on all aspects of its proposed AUD\$600 million acquisition of publicly listed Ricegrowers Limited (the sole exporter of rice grown in NSW and the owner and operator of the SunRice brands in Australia and internationally), including due diligence on its vertically integrated purchasing, production and supply chain arrangements, water licencing and allocation arrangements and R&D, as well as sale and purchase documentation and FIRB approval requirements
- Advising the **Investment Fund for Central and Eastern Europe**, established by the Danish government, on implementation of its joint investment project involving agricultural production on irrigated lands in the Southern Ukraine with an agricultural commodity company operating in Ukraine, Russia and other countries. The team commented on the irrigation project's implications, developed recommendations regarding reconstruction/repair of the irrigation system and performed due diligence on two Ukrainian agricultural companies regarding land issues
