Camille Alvarez focuses her practice on corporate and tax law matters, with an emphasis on designing tax-efficient strategies tailored to take advantage of available tax incentives, negotiating and obtaining tax incentive grants for individuals and corporations, and making elections for special treatment under local and federal tax laws.

#### LANGUAGES SPOKEN

English French  
Spanish

Camille counsels clients on the local and federal tax implications of various Puerto Rico tax incentive laws which encourage the exportation of services from Puerto Rico and the relocation of individuals to Puerto Rico.

In addition, Camille is experienced in structuring Puerto Rico operations for multinational companies while taking into account the Puerto Rico corporate laws. She also advises clients on corporate transactional matters and has ample experience in Puerto Rico corporate governance, mergers and acquisitions, healthcare laws and securities regulations.
