Corporate Governance Alert

19 November 2019

By: Sanjay M. Shirodkar | Andrew D. Ledbetter | Brooke Goodlett

We are pleased to announce the publication of our 2020 SEC Filing Calendar, created to help our public company clients keep track of the various filing deadlines throughout the reporting year.

To assist clients planning capital markets transactions, including IPOs, our calendar also provides the staleness dates (*ie*, the last date financial statements may be used in a prospectus or proxy statement without being updated).
