

Aviation Litigation and Regulation

The aviation industry is constantly changing and novel issues regularly arise. The international nature of aviation means that when disputes arise, they tend to be cross-border. Varying business cultures, legal frameworks and business practices can make the resolution of disputes time-consuming and potentially very costly.

Our global network of offices gives us an unparalleled reach and our aviation practice is highly praised in the marketplace.

Our experienced team of lawyers has been closely involved with many of the significant issues the industry has faced in the last 20 years we continue to be at the forefront when advising our clients on the likely challenges ahead. We are on hand to provide cost-effective assistance aligned to the client's commercial objectives and protection of its business.
