Chris Bennett is the head of Canada's IT Law Group and Trade-marks Law Group, and a member of the firm's Intellectual Property and Technology, Franchise, Commercial Contracts and Video Games and Interactive Entertainment Law Groups.

Chris primarily advises clients in connection with the following:

- creating, protecting, enforcing and commercializing intellectual property (IP) and technology (IT)
- drafting franchise agreements and franchise disclosure documents, and Canadianizing US and international franchise documents
- developing, distributing, licensing and supporting software, video games and other technology
- negotiating IT outsourcing and services agreements
- negotiating athlete, event and corporate sponsorship agreements
- negotiating gift card agreements and drafting gift card terms
- complying with privacy legislation and drafting privacy consents and privacy policies
- complying with Canada's anti-spam legislation (CASL)
- complying with promotional contest laws and drafting contest rules and waivers
- establishing and protecting internet-based businesses, franchise systems and other distribution systems

Chris is recognized by *Best Lawyers in Canada* as a leading lawyer in Information Technology Law, Intellectual Property Law and Technology Law, by *Canadian Legal Expert Directory* as a Leading Practitioner in Computer and IT Law, Technology Transactions and Intellectual Property, by *Legal 500 Canada* for Intellectual Property, by the *World Trademark Review (WTR1000)* as a Leading Trademark Professional and by *American Lawyer Magazine* and *Martindale-Hubbell* as a Top Rated Lawyer in Canada. He is also AV® Preeminent Peer Review Rated by Martindale-Hubbell.

### Publications

#### **Non-fungible tokens: Emerging issues in the emerging marketplace**

30 March 2021

Any digital asset, or a right in an underlying asset, can be tokenized to make an NFT.

---

#### **Amendments to Ontario franchise law take effect**

17 September 2020

These are welcome changes which help align Ontario's legislation with other jurisdictions and with the expectations of franchisors.

---

#### **Website cookies in Canada: is consent required?**

2 APR 2020

Website cookies are small files sent by websites to users' computers, usually without knowledge or specific consent. Cookies can be used to personalize a website, remember users' preferences, and retain products in electronic shopping carts. A bigger concern for regulators is that cookies can also be used to track online behaviour, activities and interests, and can be accessible by third parties.

---

#### **Significant changes to Canada's trademark laws now in effect**

17 JUN 2019

The most significant amendments to the Federal Canadian trademark statute finally came into effect June 17, 2019. Some of the changes align Canada's trademark laws with that of other jurisdictions and allow, for the first time, the inclusion of Canadian trademark rights in international applications.

---

#### **Canada's new trademark laws to make a significant impact**

1 MAY 2019

Long awaited amendments to Canada's trademark laws are set to come into force on June 17, 2019. The amendments will significantly alter the Canadian trademarks system as we know it.

## **PRO BONO**

---

Chris Bennett is a member of DLA Piper's North American Pro Bono Committee, the past Chair of the Pro Bono Committee of the International Trademarks Association (INTA), and a recipient of the INTA Pro Bono Service Award. While Chair of the INTA Pro Bono Committee, his committee implemented a pro bono clearinghouse to help connect non-profits needing trade-mark pro bono assistance with lawyers around the world who are willing to provide it.

Chris regularly provides pro bono legal assistance to non-profits, including trade-mark clearance and registration services, including to the following clients:

- A non-profit that uses the game of ice hockey to teach life skills and empower at-risk youth across Canada.
  - A non-profit that helps people with disabilities to develop technological solutions to global disability issues.
  - A non-profit that provides 24/7 notification of loved ones in the case of a medical emergency, and a special hotline for paramedics, police, and emergency responders to get access to detailed health records.
  - A non-profit that promotes strategic cooperation among democracies in the field of international security.
  - A non-profit dedicated to saving the world's elephant population.
-
