Dr Thilo von Bodungen focuses on national and international trade and distribution law and the drafting and negotiating of agreements for the operational business. His main industry focus is on industrials as well as on consumer goods and retail.

He advises companies on all stages of the value chain, from procurement and manufacturing to sales and distribution. His experience covers agreements for the purchase and sale, international contract and trade law, distribution law (distributor, commercial agent and franchising), standard agreements, transport and logistics, leasing, co-operation, joint venture and toll manufacturing agreements, service and maintenance agreements, outsourcing as well as product safety and product liability.

Thilo heads jointly with Stefan Engels the German Intellectual Property & Technology group of DLA Piper. He is Global Co-Chair of the Commercial Contracts Group and heads the Sub Group Automotive.

Germany: Labeling requirements for fashion influencer marketing – more transparency can also lead to restrictions

20 MAY 2019

Many observers in Europe today feel that the practice of labeling of advertising in social media, such as Instagram, has gone a little off the rails. The rule of thumb: "Where there is advertising, there must be labeling" is taken ad absurdum. In fear of receiving a warning letter for incorrect labeling, many influencers label posts that name brands as advertising even if they have

not been paid for it.
