Hans Christian Brodtkorb has insight in handling international projects and cross border legal proceedings, both through work for international clients and as a consequence of his role as a part of the management team in one of the largest law firms in the world.

Brodtkorb has extensive knowledge of the building and construction industry. He assists several of the largest construction companies in Norway in contract negotiations, legal assistance to projects, dispute resolution and legal proceedings. Brodtkorb also serves as strategic advisor for the corporate management in leading companies within the construction industry in Norway. His experience ranges from large international infrastructure projects (e.g PPP) to smaller and medium sized projects (housing and commercial).

Hans Christian Brodtkorb is specialized within partnering contracts and has served as student supervisor and external examiner at the University of Bergen and The Norwegian School of Management. He is a sought after lecturer in construction law. He also has experience in real estate, especially tenant law and property development. Hans Christian Brodtkorb is an experienced litigator and handles large legal proceedings both within construction and real estate.

He also has experience in real estate, including rental property, in addition to property development and planning law. Hans Christian is an experienced litigator and handles ongoing major litigation both in real estate and construction. He is highly ranked in both the Legal 500 and Chambers.
