Partner

CO-HEAD OF IPT, ASIA

edward.chatterton@dlapiper.com

### Hong Kong

T: +852 2103 0504

F: +852 2810 1345

M: +852 9196 2065

Edward Chatterton handles intellectual property work, with a particular emphasis on matters in Hong Kong and the PRC.

He advises on the full range of intellectual property matters, including the ownership, maintenance, protection and exploitation of intellectual property, clearance work and dispute resolution, both in resolving disputes pre-action and in formal litigation.

He has been involved in handling a wide range of matters before the courts and intellectual property offices in Hong Kong, China, the UK and Europe. Edward has also managed complex multi-national litigation and enforcement work, particularly in the Asia-Pacific region.

Edward advises clients across a diverse range of industries including FMCG companies, fashion and luxury goods brands, financial institutions and technology companies, as well as organisations in the manufacturing and construction industries.

In addition to his intellectual property work, Edward advises on data privacy issues in Hong Kong and across Asia and also media-related disputes and advice.

### **Protecting shoe designs in China**

16 December 2019

China has grown to be one of the largest markets for fashion businesses in the world. However, with opportunities come challenges. In the Chinese market, one of the biggest challenges for fashion businesses is how to deal with counterfeit products. In this article, we discuss some of the options that fashion brands have to protect their shoe designs against counterfeit products in China.

---

### **Key issues in brand localization in China**

17 October 2019

Given the unique features of the China market and the growing importance of Chinese consumer tastes, it is important for brand owners to look at brand localization so as to maximize their performance in this market. Brand localization initiatives include China-only product and service lines, translations and adaptations of key marks and properties.

### **Key issues in brand cross-licensing in China**

15 MAY 2019

In recent years, Chinese brands have been increasingly gaining global recognition, especially in the technology, ecommerce, and consumer goods sectors. In this context, an increased number of foreign businesses are considering branded partnerships with a Chinese counterparty as a way of operating in China (e.g., co-branded joint venture). This brings the foreign business the benefit of increased brand exposure in China while also promising greater success through leveraging the existing goodwill and recognition of the Chinese brand.
