

### Eda Demirel

Legal Director

GLOBAL DIRECTOR  
INTERNATIONAL CORPORATE REORGANIZATIONS

[email protected]

London

T: +44 20 7796 6157

M: +44 7968 559 164

Eda Demirel focuses on the design and implementation of complex international corporate reorganizations, often triggered by a merger, carve-out/ spin-off, legal entity rationalization or regulatory change.

She works closely with our global tax group to help in designing and implementing reorganizations that achieve business objectives while optimizing global tax efficiency. By working closely with multidisciplinary teams from across the firm, Eda ensures the optimal delivery of our clients' long term objectives in a cost-effective and efficient way.

Eda is a German qualified corporate lawyer admitted with the New York Bar (US) and Senior Court of England and Wales.

### Publications

#### **Corporate reorganizations in the US: five key steps**

24 JUL 2018

Corporate reorganizations can be complex and time-consuming. Here are five key tips to consider, taken from our US chapter of *Corporate Reorganisations*, part of the popular "Getting the Deal Through" Q&A comparative series.

---

#### **International tax landscape**

10 MAY 2018

As measures implemented by countries to address base erosion and profit shifting (BEPS) concerns come into effect, it is a

good time to recognize that tax is entering the boardrooms of multinationals globally. The fact that the US has also chosen this time to implement a historic tax reform that shifts fundamentally the dynamics of international tax competition only adds to the complexity of the changing global tax landscape.
