Projects Global Insight Issue 3, 2020

24 April 2020

Projects Global Insight

Contributing to a sustainable future is more important than ever during these uncertain and testing times. Infrastructure and public services are under particular pressure, especially in terms of what can be done to make them more resilient, yet adaptable.

Projects Global Insight Issue 2, 2019

20 August 2019

Projects Global Insight

One of the key trends in this issue is growing interest in sustainable, resilient and regenerative projects. This is driven by the heightened awareness and concern surrounding global warming and climate change and, arguably, a lack of funding following the global financial crisis.
