DLA Piper in Finland

Global business law firm with offices in more than 40 countries

How may COVID-19 affect your business?

DLA Piper provides you with insight on the legal implications in relation to the coronavirus COVID-19. Being a global law firm, we bring you the relevant aspects relating to Finnish law, as well as an outlook from a global perspective.

We are continuously publishing articles on the subject, and have collected all our current publications on COVID-19 to help your business manage through these uncertain times.

[Click here for an overview.](#)

Global reach, local knowledge

We are a law firm that speaks your language regardless of where you are. Through our offices across the globe we can serve you in any business law needs. Our people are business-minded and they go for extra mile to provide you with what you need. We are easy to work with. Our people and our clients are in the heart of our strategy.

We are a full-service law firm providing top quality legal services to the corporate and public sectors. Our clients span private enterprises of all sizes as well as public authorities at local, regional, and national levels and publicly owned enterprises.

Part of the Nordics

In Finland, we are more than 60 staff members in our office, which is situated in the heart of Helsinki. Our vision is to be a leading global law firm by delivering quality and value to our clients to help them succeed.

We are the only global law firm with a pan-Nordic presence. The cooperative relations between the DLA Piper offices in Denmark, Sweden, Norway, and Finland have enabled us to set up a unique Nordic platform, where we can provide cross-border assistance to our clients. We act as one firm and compile cross-disciplinary teams of highly skilled lawyers.

In the Nordics, we have 450 lawyers organised in sector groups, which share experience and discuss market tendencies across national borders. This contributes to ensuring the key qualifications required, locally as well as globally.
