Sammy Fang is a Partner in DLA Piper's Litigation and Regulatory group. He heads DLA Piper's compliance and investigations practice across Greater China.

Sammy's practice focuses on compliance and investigations, ranging from proactive compliance reviews, compliance program designs and enhancement, to specialist investigations (internal fraud investigations, anti-bribery and anti-corruption, cyber security/cybercrime, etc); as well as product liability and regulatory compliance.

He is trusted by clients for his deep knowledge of local regulatory regimes, strong experience of the Life Sciences sector in China, and ability to simplify complex issues. His experience covers a wide range of industries and areas of specialty including Life Sciences, technology, hospitality and leisure, consumer products, industrial products manufacturing, aviation, marketing and online media, and have dealt with crisis, disputes and investigations across multiple jurisdictions including China, US, Hong Kong, Australia and South East Asia.
