

Financial Services

DLA Piper advises some of the largest financial services companies and institutions on both their day-to-day operations and wider strategic objectives. Uncertain economies demand legal strategies that address regulatory and enforcement risks and the costs of compliance.

We help our clients contend with legal issues in banking - including restructurings, regulatory demands and the compliance costs that have come with reform.

DLA Piper has the worldwide resources to represent clients in large banking and commercial transactions, as well as to meet their needs in regulatory, public policy and enforcement areas. Our lawyers are located in all major capital markets and in the regulatory centers of Washington, DC and Brussels. We also advise clients on banking legal issues in higher risk and growth markets.

Our clients include asset managers, building societies, capital markets and their participants, investment banks, national regulators, private banks, private equity firms, professional services organizations engaged principally in financial services and retail banks. In addition, we regularly work with retail intermediaries on the legal issues involved in the selling of financial services to consumers.

- Analyzing the impact of all UK and Irish payment schemes, including card schemes, on the ring-fencing plans of a major UK bank and advising on how to implement them in such a way as to conform with the rules of the various schemes.
- Executing the Brexit plans of a major UK bank in continental Europe, including opening new branches in a new legal entity and closing a range of branches that were passporting into continental Europe from the UK.
- Advising First Rand on the financing aspects of its GBP1.1 billion takeover of Aldermore Group.
- Advising Bridgepoint on its acquisition of Primonial, a French mass market wealth management company with EUR15 billion of funds under management. Primonial invests in a range of asset classes, with a particular focus on investing in commercial real estate.
- Advising Citigroup Global Markets Singapore, Standard Chartered Bank and another global financial institution on the update of the USD5 billion GMTN programme of Axis Bank and the drawdown of USD500 million 3% notes due August 2022. This was the first 144A deal by an Indian Bank in 2017 and also the tightest pricing received by an Indian Bank issue since the global financial crisis.

complex intra-group re-organization through which it sought to place its non-US subsidiaries under a new global holding company. We also provided ongoing regulatory support and input across eight jurisdictions to assist in structuring the transaction, identifying the filing requirements, collating the information from various parts of the group and obtaining relevant regulatory approvals.

- Advising Link Administration Holdings on its acquisition of Capita Asset Services from Capita plc. This was a complex, game-changing acquisition for Link, as this Australian-listed company entered Europe for the first time by acquiring one of the key providers of corporate and regulated financial services located in a dozen jurisdictions – mostly in Europe. We provided UK and EU regulatory advice and led all regulatory filings in all jurisdictions, including obtaining change in control approvals and providing regulatory advice on all aspects of the transaction.
- Advising the management team in relation to the acquisition of Paysafe by CVC and Blackstone for GBP3 billion.
- Advising digital finance company Jaja Finance Limited on the acquisition of Bank of Ireland's UK credit card portfolio, including existing Bank of Ireland UK, Post Office and the AA credit card accounts, for an initial cash consideration of c. GBP530 million.
- Representing a global financial services organization, including investment advisors, broker dealers and their associated persons in an SEC investigation related to use of quantitative models and related disclosures. Favorable settlement and successful WKSI waiver application.
- Defending Santa Cruz County Bank in USD55 million Ponzi scheme cases, which alleged erroneous statements about supervision of deposit accounts at banks held by now-imprisoned fraudsters. We won two cases in the state and federal courts, one victory affirmed by the California Court of Appeal and one affirmed by the Ninth Circuit. There was no settlement on appeal, and our client won final judgments in all cases.
- Defending City National Bank in a lender liability case alleging over USD70 million of damages for wrongful foreclosure of two hotel properties. After winning summary judgment in federal court in 14 out of 16 claims for relief, the case and a related action settled for less than costs of defense.
- Defending a large US national bank in multiple cases in federal and state court alleging breach of contract and negligence in securities lending for custody clients, with a total USD120 million portfolio at risk. After extended litigation in three cases, all cases settled advantageously for the bank.
- Representing the underwriter defendants in a class action asserting Securities Act claims based on the registration statement for the initial public offering of Inovalon Holdings, a healthcare technology company. After the conclusion of fact and expert discovery, the matter settled favorably with no contribution from our clients.
- Serving as the legal architects for the development of enhanced functionality for a national eNote registry that has ledger entries of over USD100 billion in digital assets. Advice included innovative solutions for management of the rights of warehouse lenders and other secured parties claiming an interest in eNotes.
- Advising three of the leading financial institutions in the US on digital transformation initiatives for mortgage, commercial lending, insurance, student lending and securities offerings.
- Advising on the use and acceptance of electronic signatures for global enterprises.
- Representing US national lenders and service providers in negotiations with Federal Reserve Banks and Federal Home Loan Banks concerning their programs and processes for acceptance of electronic assets as collateral, including determining asset eligibility and criteria for evaluation and procedures for perfection of security interests.
