Our global Franchise practice is ranked tier one globally by all major legal directories. We serve as General Counsel to the International Franchise Association, the major trade association for the franchise industry. Additionally we are affiliate members of other national franchise associations in key global markets, including the British Franchise Association and its affiliation to the European Franchise Federation as well as the Germany Association for Distribution law. We also are closely affiliated with organizations in Australia, China, and Russia. We represent clients across the entire spectrum of businesses that have adopted franchising as a means of distribution and cover a broad scope of size and experience, from entrepreneurs and startup companies that are establishing new programs to the largest franchisors, manufacturers and distributors. Our clients manage franchise networks that range from dozens to thousands of outlets as well as trading globally through online and mobile media channels. While the majority of our clients are franchisors, we also represent multiple-outlet franchisees, area developers, and master franchisees.
