Finance and Markets Global Insight

Welcome to our latest edition of FMGI which picks out some of the issues the industry has been grappling with over the past few months, including the impact of the COVID-19 pandemic. As ever, regulatory change and modernisation of financial systems still play a big role and we have attempted to pick out a few areas that may be of interest.

### **Finance and Markets Global Insight - Issue 15, 2018**

26 OCT 2018

Finance and Markets Global Insight

As the wave of regulatory change from earlier in the year appears to have calmed for the time being, in this issue we look at variety of issues from markets across the globe, including opportunities in the Italian CDO market, insolvency reform in Australia and new mortgage asset lenders and the impact of FinTech on warehouse and future flow arrangements. We also explore the proposed framework for a post-Brexit partnership in financial services.

Finance and Markets Global Insight

On 23 June 2016, the UK electorate voted to leave the European Union in a so-called Brexit referendum. The exit result was a surprise for many working in the finance sector. The change will impact the position of the UK under critical legislation such as the Capital Requirements Regulation, European Market Infrastructure Regulation, Market Abuse Regulation and many other Regulations and Treaties applicable in the UK. We will also see a change as to the role of the UK in significant market initiatives such as the Capital Markets Union. It is likely that these changes will present both threats and opportunities. Until policy is clearer, we will comment on some of the existing challenges caused by EMIR and similar EU Regulations.
