

## Hospitality and Leisure

Hospitality and leisure represents a multibillion-dollar global industry, covering a broad range of services with inter-related requirements. DLA Piper's exceptional global reach and industry specific experience means we have local lawyers with regional and global experience who understand the complexities involved.

Ours was one of the first legal firms to develop a dedicated global hospitality and leisure group. With years of experience and a proven track record in the sector, we help investors, developers, owners and operators with their hospitality and leisure opportunities.

DLA Piper understands the variety of hospitality and leisure legal issues that arise and advise on development, acquisition and divestment and contractual arrangements; gaming operations; franchise, management and outsourcing operations; management agreements and operations; corporate, joint ventures and fund formation; finance and restructuring; franchise, outsourcing and commercial agreements; data privacy security technology arrangements; advertising and brand; betting and major sporting events.

Our clients include owners, managers, franchisors, developers and lenders; global, regional and national hotels; resort businesses; serviced apartments; and leisure and sports operators (golf courses, theme and amusement parks, health and fitness facilities, spas, gyms, leisure complexes, cinemas, marinas, nightclubs, casinos and gambling establishments).

We also represent online gaming operators and gambling establishments, hospitality and catering operations such as conference locations, and organizers and developers of venues for major sporting events, including the Olympic Games and Commonwealth Games.

In addition to our industry-specific experience, our hospitality and leisure clients benefit from access to our core service areas, whether their investments and operations are local or global.

We regularly sponsor, speak at and participate in sector-related conferences worldwide, including the International Hotel Investment Forum in Berlin, The Americas Lodging Investment Summit in California, the Hotel Investment Conference Asia Pacific in Hong Kong, and the Arabian Hotel Investment Conference in Dubai.

In the US, our hospitality and leisure sector group is highly ranked in the leisure and hospitality category of Chambers USA, the guide to America's leading lawyers for business.

In recent times, we have acted on more transactions within the sector than any other law firm, advising global, regional and national companies and high net worth individuals. Our experience includes:

- Advertising and brand: Our lawyers help the Savoy Hotel Group manage its global trade mark portfolio and infringement issues
- Corporate, joint ventures and funds: We represented InterContinental Hotels Group (IHG) in forming a joint venture with Brack
