

Insurance

We view the companies that we work with not only as clients for a discrete project but also as business partners over both the short and long term. We focus on providing advice in the context of the insurance sector, as well as looking at clients' existing circumstances and aspirations within the industry.

DLA Piper's Insurance practice is one of the largest and strongest, comprising over 400 lawyers serving the insurance industry globally.

We offer a full range of insurance services, including transactional, regulatory, commercial dispute resolution, claims, competition, restructuring and emergency response.

We represent both startups and established multinational life and non-life (re)insurers, Lloyd's entities, intermediaries, banks, capital providers (including hedge funds, private equity funds and venture capital funds), regulators and other insurance industry participants.

DLA Piper understands the business of insurance as well as the legal issues that underpin the insurance sector. Many of our lawyers previously worked as business executives, in-house counsel, bankers and management consultants within the insurance industry. This combination of legal and industry experience enables us to implement practical and cost effective solutions for our clients. Our strong international network of lawyers provides swift access to knowledge and coordinated cooperation across practice areas and jurisdictions.

We regularly second lawyers to work directly for clients and we welcome the opportunity this gives our people to deepen their understanding of the industry. We believe in building a deep understanding of each client's business to enable us to deliver the appropriate outcome, whether the matter relates to structuring, negotiating and closing sophisticated transactions, litigating complex coverage and commercial disputes or addressing regulatory compliance concerns.

- Litigation: We have advised Swiss Re, the world's second-largest reinsurer, in numerous multi-jurisdictional disputes, litigations, arbitrations and important capital markets-related work
- Arbitration: Our lawyers have handled several international reinsurance arbitrations (in London and in New York) as well as litigation on behalf of IRB Brazil Re
- Loss: As a result of the 2011 floods in Thailand, we were lead counsel for major international insurers and reinsurers involving more than US\$20 billion in alleged losses, economic damage and related claims
- Finance: We have advised on highly structured, insurance-linked securities, cross-border capital markets hedging solutions and cross-border insurance risk transformation for major insurance industry clients around the world
- M&A: We participated in several significant, price-sensitive M&A transactions for multi-national insurance companies. These public company M&A transactions involve complex insurance/reinsurance and migration arrangements, and in some cases a

Rückkehr zur materiellen Versicherungsaufsicht droht

11 OCT 2018

INSURANCE SECTOR UPDATE SERIES

Regulierungsthemen in der Versicherungswirtschaft stoßen zunehmend auf politisches Interesse. Das gilt vor allem für Bestandsübertragungen von Lebensversicherern oder Pensionskassen. Das hat auch Auswirkungen auf die Praxis der

Finanzaufsicht BaFin. Sie hat bereits ein Aufsichts-niveau eingeführt, das sich nicht ohne Weiteres aus den gesetzlichen Vorgaben ableiten lässt. Dabei beruft sie sich auf die Wahrung der Belange der Versicherten. Hier droht die Gefahr, dass die BaFin zur früheren materiellen Versicherungsaufsicht zurückkehrt, die eigentlich als verabschiedet galt.

Iran-Sanktionen: Die Versicherer zwischen zwei Stühlen

24 AUG 2018

INSURANCE SECTOR UPDATE SERIES

Aufgrund der neuen US-Sanktionen gegen den Iran drohen Versicherungs- und Rückversicherungsunternehmen ("Versicherungsunternehmen"), insbesondere Tochterunternehmen von US-Gesellschaften, erhebliche Strafen und Bußgelder. Das Blocking Statute der EU und die entsprechende deutsche Bußgeldnorm verbieten jedoch gerade die Beachtung der neuen US-Sanktionen. Es drohen auch Versicherungsunternehmen Bußgelder bei Verstoß gegen das europäische Verbot. Obgleich mit einer umfassenderen Implementation der US-Sanktionen zu rechnen ist, haben in Deutschland ansässige Unternehmen zuerst deutsches Recht zu beachten. Vorstände von in Deutschland beaufsichtigten Versicherungsunternehmen sollten die weitere Entwicklung genau beobachten und auf die Klarstellung des Blocking Statutes drängen.

Besteuerung bei Gruppenversicherungen prüfen

23 JUL 2018

INSURANCE SECTOR UPDATE SERIES

Gruppenversicherungen, über die Unternehmen Arbeitnehmern und Kunden Deckungen anbieten, werfen nicht nur zahlreiche vermittlerrechtliche Fragen auf. Auch im Steuerrecht lauern durch jüngere Entwicklungen auf Seiten der Finanzverwaltung Steuer-Compliance-Risiken – und zwar sowohl in Deutschland als auch EU-weit. Im Hinblick auf divergierende Auffassungen der Finanzverwaltungen ist es angezeigt, bestehende und zukünftige Gruppenversicherungsstrukturen auf den Prüfstand zu stellen. Vorstände und Steuerabteilungen tun daher gut daran, sich mit diesen Aspekten und Entwicklungen auch im Sinne einer guten aufsichtsrechtlichen Geschäftsorganisation auseinanderzusetzen.

27 MAR 2018

INSURANCE SECTOR UPDATE SERIES

Die BaFin hat Ende vergangenen Jahres das lange erwartete Kapitalanlagerundschreiben veröffentlicht. Das Rundschreiben ersetzt das Vorgängerrundschreiben aus dem Jahr 2011 und war zwei Jahre nach Inkrafttreten von Solvency II längst überfällig. Es bietet viele Klarstellungen, aber einige Punkte bleiben unklar. So bleibt abzuwarten, ob die Versicherer ihre internen Kapitalanlagerichtlinien weiterhin an den BaFin-Vorgaben ausrichten oder den ihnen durch Solvency II gewährten Spielraum weiter als bisher ausschöpfen.

D&O-Versicherungsansprüche durch die Hintertür

16 MAR 2018

INSURANCE SECTOR UPDATE SERIES

In D&O-Versicherungsverträgen findet sich regelmäßig ein Ausschlussstatbestand für Tochterunternehmen in den USA oder Kanada. Dennoch hat sich in der jüngeren Vergangenheit ein Trend abgezeichnet, dass Versicherungsnehmer Haftungs- und Deckungsansprüche vor deutschen Gerichten geltend machen, obwohl der zugrundeliegende Sachverhalt aus den USA oder Kanada stammt. Gezielt wird damit versucht, die Ausschlussgründe der D&O-Versicherungspolice zu umgehen, um doch in den „Genuss“ der deutschen Gerichtsbarkeit und der D&O-Dekung zu kommen, die Innenhaftungsansprüche abdeckt, die US-Policen so nicht kennen. Dieser Trend birgt für deutsche D&O-Versicherer das Risiko, dass Schadenersatzansprüche, die in den USA oder Kanada ihren Ursprung haben, die deutschen Policen doch belasten.
