## **Pharmaceutical Trademarks 2018/2019 - Chapter: France**

5 APR 2018

Like all trademarks, pharmaceutical trademarks are subject to general trademark rules regarding validity and use. Until recently, both French and European law required a trademark to be capable of graphical representation. This requirement allowed the registration of shapes, colours and sounds, but excluded signs such as smells. The European trademark law reform, comprising EU Directive 2015/2436 and the EU Trademark Regulation (2017/1001), deleted the graphical representation requirement from trademark law. This change marks a dramatic step forward in trademark law and could make it easier to register smells and other non-traditional trademarks.
