

International Corporate Reorganizations

Our vast multi-disciplinary knowledge and global experience in designing and implementing efficient, cost-effective legal structures and business operating models gets results.

The need for change

Businesses regularly review their corporate structure to ensure it provides the most effective means of achieving current and future commercial plans while ensuring appropriate **tax efficiency** and **minimizing HR risk**. Structural and business flexibility is a competitive necessity to achieve efficiency, operational synergies, cost savings and enhanced shareholder value in fluid, fast-paced global markets.

Corporate reorganization achieves these goals and presents multinational corporations with further opportunities across all parts of the business. We can help you and your business to maximize the benefits of these transformations, with detailed, tailored strategies and effective execution.

One global team

Our International Corporate Reorganizations team comprises cross-border, multi-disciplinary teams of corporate, employment, tax, intellectual property, IT, regulatory, commercial, finance and real estate practitioners. Our team will assist you and your business with a broad range of integrated services, including post-merger integration, carve-out/spin-off, supply-chain transformation, entity rationalization and general corporate structuring.

Transfer pricing

In addition to tax and legal services, our **transfer pricing group**, comprising dedicated lawyers, economists and accountants can provide any transfer pricing and valuation services required to implement your reorganization.

Helping you transform

Our extensive experience and our proactive, efficient approach to managing complex global projects has given us a comprehensive understanding of the operational, financial, legal and tax implications that accompany a reorganization.

Our internationally experienced lawyers in the Project Management Office combine know-how, project management skills, tailored technology and tools to effect efficient implementation. By providing a single point of contact, our lawyers manage all material aspects of the project and ensure seamless collaboration, with minimal disruption to your in-house team and day-to-day operations.

Our methodology

Having devised and implemented a significant number of international corporate reorganizations, we have developed a robust approach that ensures projects are run in the most efficient and cost effective way.

This includes:

- Central coordination and communication
- Quality review
- Central billing
- Globally aligned documentation
- Tailored technology and tools

A truly one-stop solution

Leveraging our global footprint, deeply rooted local focus and a strategic investment in technology, we deliver a solutions-led approach based on our client's global objectives. We help streamline processes, increase accountability and identify ancillary enhancement opportunities across all sectors globally.

EXPERIENCE

- Acting for a large multinational insurance brokerage company in creating a new holding structure for its non-US subsidiaries to enable it to better manage the internal cash needs of the group and to repatriate funds to the US as efficiently as possible.
- Leading a global multi-disciplinary team in implementing a 30+ country regulatory-mandated divisionalization of a leading multinational financial services company.
- Leading the segregation of the EMEA, LATAM, Caribbean and AsiaPac subsidiaries of a global professional services firm into new regional holding companies, followed by a sophisticated leverage transaction involving 40+ countries.
- Leading the global corporate implementation effort of a global science and technology innovator's separation into two publicly-traded entities. Implementing 41 step plans that covered 54 jurisdictions and involved nearly 4,000 documents, 500 share transfers, 25 assets transfers, and the formation of more than 50 entities.
- Advising a large multinational conglomerate in a carve-out sale of a multi-jurisdictional business from a larger division across more than 20 countries.

- Advising on a post-acquisition restructuring arising out of a takeover in IT services. This was a global transaction of US\$3.1 billion designed to increase Business Process Outsourcing (BPO) capabilities and to improve and increase the infrastructure platform.

Non-resident real estate investors bullish on Capital Gains Tax changes

19 MAR 2019

Non-resident real estate investors are holding their nerve on UK investment strategies despite impending capital gains tax (CGT) changes coming into force next month and uncertainty around Brexit. According to a DLA Piper report, more than half (58 percent) of those polled expect the new tax code will have no impact on their investment strategy.
