Third edition of *The Price of Data Security*, a guide to the insurability of GDPR fines across Europe

27 May 2020

We've partnered with global broker Aon for the third year running for the updated edition of *The Price of Data Security*, a guide to the insurability of GDPR fines across Europe that includes common issues faced by organisations in international cyber scenarios and illustrated with practical case studies.

GDPR has undeniably revolutionised the data protection regime and significantly affects how organisations worldwide collect, use, manage, protect, and share personal data that comes into their possession – with significant fines for non-compliance. Within the last year alone, a EUR18 million fine was issued against a national postal operator and a EUR14.5 million fine against a real estate company.

Brexit for the insurance sector: No-deal regimes in the UK and Europe

17 September 2019

Insurance Horizons

This guide has been prepared by DLA Piper's insurance regulation team to provide a high level overview of post-Brexit regimes that are being implemented in key EU markets, and in the UK. It is intended to help insurers and intermediaries with their planning in the run up to a possible no-deal Brexit.

No-deal Brexit: What should insurers do now?

1 September 2019

Insurance Horizons

While a range of outcomes, including [a departure under the terms of the current Withdrawal Agreement](#), remains possible, it is important for businesses to plan for a no-deal Brexit, in which the UK leaves the EU without a withdrawal agreement or other deal. Here we look at the potential impact of a no-deal Brexit on insurers.
