Sergey Koltchin focuses on the real estate industry and, in particular, on construction projects, land ownership rights and infrastructure development issues. He also possesses strong industry experience in the steel, automobile and chemical sectors and is widely recognised as one of Russia's leading real estate and corporate lawyers.

He has been involved in numerous complex construction and foreign direct investment projects in the Urals and Moscow Federal Districts.

Sergey heads the firm's Real Estate and Construction practice in Russia and the CIS and the German Desk of DLA Piper in Russia.
