Qiang Li has been practicing law in Hong Kong and Shanghai since 1997. His practice covers mergers and acquisitions, private equity investment and corporate finance. He advises multinational and Chinese corporate and fund clients on their cross-border M&A and direct investments projects.

Qiang frequently counsels international investors on China's foreign investment laws and has served as Counsel to the Board of The American Chamber of Commerce in Shanghai. He is a leading authority on China's myriad legal reforms in the areas of market access, corporate finance, corporate governance and general corporate matters.

Qiang has significant experience in representing Chinese airline companies in aviation matters. He is also the founding board member of the Aviation Law Society of Shanghai Law Society.
