

Litigation, Arbitration and Investigations

DLA Piper's lawyers are skilled in litigation, arbitration, investigations and ADR and will deploy that experience to help you devise the best strategies.

We have the local knowledge to apply the regulatory, economic, political and cultural context to legal issues and develop case strategies. We regularly handle technically challenging and complex multi-jurisdictional matters. Our global reach allows us to provide you with fully integrated teams and consistent quality wherever you do business. We work with you to manage potential risk and implement the most effective solutions to reduce costly escalation. We aim to solve complex business disputes as swiftly and effectively as possible and provide solutions which are aligned with your business objectives.

DLA Piper's global team of disputes and regulatory lawyers is the largest dedicated disputes practice globally as recognized by *The Lawyer's Top 50 Litigation* survey.

In an environment where regulation and its enforcement will only increase, we recognize that effective compliance and avoidance of regulatory intervention are business critical issues.

Globalization of world markets has brought limitless commercial opportunities. However, it has also increased the potential for legal liability by exposing corporations around the world to financial and reputational risk across multiple jurisdictions. Mitigation of those risks requires early engagement with experienced lawyers who understand the cultural as well as the legal and regulatory landscapes but who will also drive relentlessly to deliver results for their clients when a dispute or regulatory intervention is unavoidable.

Schiedsgerichte Missverstanden?

Man denke dabei etwa an CETA (Handelsabkommen EU-Kanada) oder neuere Freihandelsabkommen, bei denen einzelne Länder – wie Singapur oder Vietnam – gerade daran den Stein des Anstoßes sehen.
