David Luce has over 20 years of experience in complex insurance related transactions, regulatory matters and litigation.

David's practice includes M&A, securities offerings, reinsurance, structured finance, venture capital and emerging growth in the fintech sector and general insurance matters. He is the global co-chair of Fintech at DLA Piper.

David has extensive experience in mergers and acquisitions, insurtech and venture capital financings, reinsurance, securities offerings, XXX, AXXX and embedded value financings of life insurance policy reserves, variable annuity hedging, sidecars, catastrophe bonds, transformer trades, insurance and weather-linked derivatives, longevity and mortality swaps and pension solutions. He has represented clients in over \$20 billion in public insurance M&A and over \$22 billion in securitization and other financings. He also advises insurance companies on strategic venture investments, as well as insurtech emerging growth companies and start-ups.

A former resident of Japan, David works with DLA Piper's Asia insurance team, bringing the firm deep experience in Asian and cross-border transactional matters. He is also a former investment banker, having been a Vice President at Lehman Brothers and a Director at Credit Suisse, ultimately leading an insurance solutions team.

## КВАЛИФИКАЦИЯ

---

### Допуск к юридической практике

- New York

### Карьера

Prior to joining DLA Piper, David was a Director in the Fixed Income Division at Credit Suisse, leading an insurance solutions and structuring team.

Earlier in his career, David practiced in the financial institutions group of a large international firm, where he was Special Counsel for Insurance, concentrating on insurance transactions and regulatory matters; served as a Vice President in the Insurance Products Group of the Fixed Income Division of Barclays Capital and Lehman Brothers, focusing on innovative client-focused capital solutions in the insurance industry; and practiced as an associate at another international firm, concentrating on insurance industry transactions.

### Рейтинги

*Chambers USA* recognizes David for his New York Insurance: Transactional and Regulatory work. "He demonstrates considerable expertise in advising on substantial insurance and reinsurance transactions as well as regulatory compliance matters." "One client describes him as 'one of the best in the industry,'" due to his "great business acumen" and strong legal skills. According to market sources, David "has vast experience in the insurance realm, adds great insight and is very astute." He "is retained by international insurers for strategic transactional and regulatory advice."

*The Legal 500* United States recognizes David for his Structured Finance and Insurance: Non-Contentious work.
