Hotels, franchising and third party operators: structural trends in European hospitality operations

17 March 2020

How third party hotel operators are unlocking the full potential of properties – and optimizing returns

In the last decade, most international hotel operators have focused on developing their brands rather than the operational management of hotels. As a result, they are now using the franchise model, apart from their upscale and luxury brands, particularly in flagship locations, where they are reluctant to lose the control that direct management ensures.

Inspirational Women in Real Estate 2020

11 March 2020

The Real Estate Industry sometimes suffers from a lack of female Role Models. For this reason, we are proud to present, in honour of International Women's day, the third edition of our Inspirational Women in Real Estate booklet. By continuing to highlight the stories of some of our women in Real Estate around the world, we hope to make our small contribution to engendering a more gender balanced industry.

Inspirational Women in Real Estate 2019

7 MAR 2019

I am proud that we can count so many strong and impressive women amongst our number at DLA Piper, and I hope that by highlighting a few of their stories in this booklet we can make our contribution to changing the narrative of the real estate industry.
