

COVID-19 – Galvanising your business against supply chain and customer insolvency risk

7 October 2020

By: Peter Manley

The risk of unforeseen counterparty customer or supplier financial distress and failure amidst the on-going challenges for businesses from COVID-19 means that pre-emptive legal and operational protections against the risk of heavy financial loss or business disruption from customer/supplier failure are more valuable than ever.

We can assist in responding to such risks in the various jurisdictions in which you operate, source materials and/or supply products and services.
