Ryan Moreno's finance practice focuses on the areas of US and international finance for both investment-grade and below-investment-grade transactions, including the representation of borrowers and lenders in secured and unsecured acquisition financings, refinancings of existing indebtedness, multiple lien credit facilities, syndicated credit facilities, asset-based financings, mezzanine financings, high yield and investment grade bond offerings, debt private placements, restructurings and other types of financings.

Ryan also has significant experience in a variety of corporate matters, including mergers and acquisitions, private equity investments, fund formation, venture capital and general corporate matters.

Ryan's clients include investment banks, arrangers, lenders, privately held and publicly traded corporations, private equity sponsors and portfolio companies. He has worked with companies in various industries, among them technology, energy, consumer products, hospitality, REITs, health care and life sciences, industrial chemicals and other manufacturing.
