Ryan Moreno represents lenders and borrowers in structuring, negotiating and executing a wide range of financing transactions.

Ryan has extensive experience working with non-bank lenders, BDCs, SBICs and other alternative capital providers in connection with domestic and cross-border acquisition financings, asset-based financings, refinancings of existing debt, multiple lien credit facilities, unitranche facilities, structured financings, mezzanine financings, workouts and restructurings. Ryan also advises privately held and publicly traded corporations, private funds, private equity sponsors, portfolio companies and family offices on acquisition financings, 144A debt offerings, syndicated credit facilities, fund-level financings, financings of recapitalizations, bridge and takeout facilities and general corporate facilities.

Ryan has worked with companies in many different industry sectors but focuses on technology, healthcare, financial services, consumer products and life sciences.
