

Oil and Gas

For nearly 30 years, our oil and gas team has been engaged in every aspect of the industry working across the upstream, midstream and downstream sectors. Our oil and gas practice has advised international oil companies, governments, sponsors and lenders on a broad range of matters including acquisitions and disposals, farm-ins and farm-outs, joint ventures and JOAs, financings (on a limited recourse, reserve-based or other secured/structured basis), sale and supply arrangements, storage, trading, transportation, fracking and LNG, in locations that include Africa, the Middle East, Asia Pacific, Russia, Central and Eastern Europe, and the Baltic. Our Practice continues to grow and we are involved in many of the major energy projects currently undertaken worldwide.

We work closely with our network of DLA Piper relationship firms in major jurisdictions in Africa and have a growing presence in the Latin America market.

EXPERIENCE

Upstream

- Oando plc on its \$1.9 billion agreement to acquire four ConocoPhillips subsidiaries which hold its entire upstream position in Nigeria along with its shareholding in the Brass LNG project. When completed, the transaction will represent the largest upstream acquisition made by a Nigerian indigenous company.
- The contractor group of a producing gas field in Tanzania on its \$3billion long term gas supply agreement to the Government.
- Samsung Heavy Industries in respect of its joint venture arrangements to develop, construct and finance a 10,000 ton per year fabrication yard and quay wall suitable for the performance of fabrication and module integration works in the context of the Egina FPSO (valued in excess of \$ 3 billion).
- Melrose Resources plc in relation to its reverse takeover of Petroceltic International plc, with the newly consolidated entity holding assets in in Algeria, the Kurdistan Region of Iraq, Italy, Egypt, Bulgaria, Turkey and Romania.

Midstream

- The sponsors on the project and financing to construct a tank farm, pipeline and offshore mooring point at Tema, Ghana.
- An international oil company in relation to its proposed project to construct an offshore mooring system (constituting a SBM,
