

Piotr Olkowski

Counsel

Warsaw
T: +48 22 540 74 58
F: +48 22 540 74 74

Piotr Olkowski focuses on litigation and public procurement.

Piotr Olkowski represents clients from various sectors (rail, energy, construction, medical, IT, real estate) in court disputes, arbitration proceedings, regulatory litigation, out-of-court adjudication proceedings and commercial negotiations.

He also advises local and international companies on different aspects of public procurement law, including assistance in the course of tender procedures and representation in public procurement disputes.

Piotr is involved in several initiatives concerning shared mobility solutions and related "smart city" solutions.

- Polish

EXPERIENCE

- Representing a Polish construction company in a court dispute with a subcontractor regarding a contract to modernize a railway line (Taking into consideration the number of legal and factual issues involved, these are probably the most extensive and complex court proceedings in the railway construction sector currently pending before Polish courts. In the first instance, 38 witnesses testified and there have already been 21 days of open court hearings before the court in this case.)
- Representing a Russian company in enforcement of an arbitral award issued by the court of arbitration at the Vienna International Arbitral Centre (VIAC) and representation in parallel interim measures proceedings in Poland
- Representing a top European company providing radiotherapy services in a dispute regarding the delivery of radiopharmaceuticals
- Representing a Polish company in a court dispute for the protection of the personal interests of a legal person in connection with press publications prejudicial to the company's reputation
- Representing a Dutch investor in ICC arbitration regarding the financial settlement of a contract for the management and
