Catherine Pogorzelski advises fund managers and investors on the structuring and formation of and investment into alternative investment funds, particularly within the private equity, real estate and debt funds sectors.

Catherine's practice also includes assisting clients in connection with general regulatory matters, general corporate law, mergers and acquisitions and in particular transactional work relating to investment funds and investment management related financial services.

She also assists on all legal aspects impacting alternative investment fund managers, funds management entities and their service providers, including fund and investment management operator structuring, regulatory compliance and ongoing activities.

언어

- English
- French

경력

- Advising one of the largest insurance companies in the world on the structuring, setting up and launching of a cross-border real estate fund of funds platform focusing on the Asian market and organized as a special limited partnership (SLP) qualifying as reserved alternative investment fund (RAIF).
- Advising a leading US asset manager on the structuring, implementing and launching of a Luxembourg multi-compartment and multi-strategy alternative investment fund platform, organized as a special limited partnership (SLP) qualifying as reserved alternative investment fund (RAIF), aiming to serve as European distribution platform with each compartment investing in parallel with US investment funds.
