

Remembering Redress: Administrators of the historic program share their stories

19 February 2021

DLA Piper's Chief Operating Officer Bob Bratt and Chief Administrative Officer Joanne Chiedi are joined by community leader Bill Kaneko to discuss their work with the Department of Justice's Office of Redress Administration, a historic program that issued redress payments and a presidential apology to individuals of Japanese ancestry evacuated, relocated and interned during World War II. Bob, Joanne and Bill share their vantage point of what it was like to be a part of the program, Bill as a community leader who led the fight in Hawaii to seek redress, Bob as redress administrator, and Joanne as deputy administrator.
