Superior Court of Québec renders omnibus order to provide procedural flexibility amidst COVID-19

15 MAY 2020

The unique situation created by the COVID-19 pandemic and the measures implemented to contain the spread of the virus has severely disrupted the economy, and as a consequence, has made it increasingly challenging for debtors to fulfill their obligations. The situation has also made it arduous for all parties involved in insolvency proceedings to comply with the statutory deadlines set by the BIA. While a jointly issued Suspension Order by the Chief Justice of Québec and the Québec Minister of Justice suspends the extinctive prescription and forfeiture periods in civil matters, as well as civil procedure deadlines until the expiry of the declared public health emergency, unfortunately, it does not apply to insolvency matters. Following on an application by the Superintendent of Bankruptcy of Canada, The Superior Court of Québec rendered an omnibus order to provide much needed procedural flexibility.
