Jeremy Scemama has been working for more than 18 years with industrial groups and investment funds on a large number of transfers, acquisitions and mergers of listed companies – by means of cash tender offers, exchange tender offers, buyout offers, squeeze outs or standing market offers – and non-listed companies.

Jeremy has also advised on numerous initial public offerings and issuance of financial instruments through a public offering or private placement, either for the issuer or for the bank underwriter.

Furthermore, Jeremy has also developed an extensive experience in the implementation of ethics and compliance rules within listed industrial groups.

NEWS

DLA Piper advises Worldline on the acquisition of a minority stake in equensWorldline

16 October 2019
DLA Piper has advised Worldline on the acquisition of the 36.4% minority stake in equensWorldline. DLA Piper had previously advised Worldline in 2016, when Worldline's payment transaction processing activities had been combined with Equens. This merger resulted in the creation of equensWorldline, which was 63.6% owned by Worldline and 36.4% owned by former Equens shareholders.

DLA Piper advises BASF in connection with partial divestiture of European polyamide business

14 August 2019
DLA Piper has advised DAX company BASF on the acquisition of Solvay’s integrated global polyamide business. A corresponding agreement was signed by both companies in September 2017. Following the approval of the transaction by the European Commission in January 2019, which was granted subject to certain conditions including the divestment of polyamide production sites in Europe to a third party, the parties have now reached an agreement on such divestment to Domo Chemicals.
