San Francisco

T: +1 415 615 6095

F: +1 415 659 7465

Jeffrey C. Selman represents emerging and middle-market public and private technology and life sciences companies and investors on their formation, equity and debt financing, mergers and acquisitions, licensing, restructurings, board and management issues, and general corporate and commercial transactional matters. He has particular experience advising on the creation and funding of special purpose acquisition companies (SPACs), as well as advising on the use of SPACs as a means of taking companies public.

He has represented companies in a wide range of industries, including software, social networking, mobile device applications, interactive gaming and entertainment, media, semiconductor, network equipment, biotech, medical devices, geothermal, solar, battery, energy storage, metals and emerging automotive technology.
