Alex Tamlyn has extensive experience in corporate finance, UK and international securities offerings, schemes of arrangement, corporate governance and securities regulation.

Alex advises companies and other forms of business organisation as to their formation, conduct, financing, reorganisation, acquisition and disposal. Alex also advises on financial services, securities regulation and practice, share transactions, capital reductions, minority rights, directors' duties and shareholder disputes.

Alex heads DLA Piper's EMEA Capital Markets Group which specialises in securities law advice to listed and unlisted public companies and institutional clients. He also leads the firm's corporate governance practice which was launched in August 2003.
