Diversity and Inclusion - how does the retail sector fare in the boardroom?

5 JUN 2019

With diversity and inclusion fast becoming a hot topic on the agenda for almost every business across the globe, there is no doubt that the requirement for a more diverse board is increasing.

The consumer goods and retail landscape is rapidly evolving. Now more than ever, consumers are seeking more diverse products from which to choose and a variety of different ways to shop. With the need for the overall customer experience to reflect this broadening diversity, is the sector sufficiently diverse to be equipped with the varied cultural knowledge and understanding to take on the challenge?

Events

Sandra has provided extensive client training throughout her legal career. She focuses on presenting training and workshops which are tailored to clients' needs, including topical and entertaining case studies and practical guidance to up-skill client legal HR and management teams.

Sandra has also spoken at conferences in New York on behalf of the ORC (now part of Mercers) to international employers on UK employment law.
