

Hybrid and remote work in LatAm jurisdictions: Addressing the challenges

[A webinar for global employers](#)

28 October 2021 | 1:00 - 2:00 EST

1:00 PM - 2:00 PM (UTC-05:00)

Webinar

Thank you for joining us for a webinar during which our employment partners throughout Latin America discussed the challenges global employers face when implementing hybrid remote work and remote work across the region.

We discussed:

- Trends and strategies for employers
- Managing risks arising from remote working (health and safety, wage and hour, data security)
- Approaches for drafting and implementing remote and hybrid working policies
