Dr. Tim Arndt is an experienced cross-border M&A lawyer who has been practicing in Frankfurt and New York since 2004. Tim represents German and international entities and private equity funds in all types of domestic and cross-border M&A and corporate venture capital transactions. His broad industry experience includes the technology, automotive, insurance, food and beverage, retail, chemical, oil and gas, medical device, healthcare, financial services, real estate and manufacturing sectors.

- Corporate
- Private Equity

Tim is a resident in DLA Piper's New York office and divides his time between New York and Frankfurt; as well as other offices of the firm's international network. catering to the global transactional needs of an international client base. Earlier in his career, he was a Frankfurt-based partner in the global mergers and acquisitions practice of another international, full-service law firm, a position he held until he joined DLA Piper's Frankfurt office in February 2019.

Tim received his Ph.D. in law, summa cum laude, from Johann Wolfgang Goethe-University in Frankfurt. He is not admitted to practice law in New York, but is licensed as a foreign legal consultant.

Licensed as a Foreign Legal Consultant by the NY State Supreme Court, Appellate Division
