Nicky Brennig's practice focuses on advising many of the world's largest and most active pension plans, endowments, insurance companies, private market solutions providers, family offices and other financial institutions on all aspects of their business.

- Global Investment Funds
- Corporate

Nicky is actively involved in domestic and foreign alternative investment representation, including advising clients with respect to private investment funds, syndicated and direct co-investments, fund restructurings, general partner removals, advisory board matters, fund and advisor acquisitions and other consolidations, and fund dissolutions. Nicky also represents institutional investors in connection with the acquisition and sale of partnership interests in large secondary market transactions. Clients quoted in *Chambers USA* describe Nicky as "great to work with," "very thorough," and "very practical."

Nicky has been an active member of the alternative investment funds industry for over a decade. She is frequently invited to speak at major industry events and is involved in investor-education efforts with respect to alternative investments.

Nicky is also an active member of her community and serves as a member of the Board of Directors of the Ronald McDonald House Charities of Central Texas.
