UK tax amortisation of IP

27 July 2020

The UK does not, at present, permit tax amortisation of 'old' (i.e. pre-April 2002) IP assets. The UK Government proposes to remove this restriction in relation to IP transferred within a group to a UK company after 1 July 2020. This change may be of material benefit to some groups considering an IP transfer to the UK.
