

Capital Markets

Our global capital markets team represents issuers and underwriters in public equity and debt capital transactions, including initial public offerings (IPOs) and follow-on offerings; rights offerings; listings in international markets; and offerings of investment grade and high-yield bonds, including Rule 144A and Regulation S transactions.

We offer integrated securities advice on complex, cross-border transactions to issuers, underwriters, selling shareholders, sponsors, arrangers, lead managers, originators, dealers, trustees and depositories on a broad range of securities offerings.

Companies, underwriters, and placement agents rely on us to deliver global advice and unmatched local, on-the-ground resources to support public and private equity and debt capital raising transactions.

We have built a strong global platform based on deep industry knowledge in key growth sectors and access to global funding sources through relationships with the business and funding communities, including investment banks, private equity and venture capital providers and hedge funds.
