Riley J. Combelic focuses his practice on alternative investments including primaries, secondaries, and co-investments. He represents domestic and international institutional investors and family offices with their investments into various industry-specific close-end and open-end funds. He assists clients in reviewing and negotiating investment documentation, including limited partnership agreements, private placement memoranda, purchase and sale agreements, side letters, subscription agreements, and transfer agreements. Additionally, he advises investors on various limited partnership related issues, including amendments to limited partnership agreements, fund restructurings, and the transfer of limited partnership interests

- Corporate

Riley also has extensive experience representing major global asset managers in fund formation, acquisitions, and operational matters.
