

## Commercial Contracts

DLA Piper's Commercial Contracts practice combines legal knowledge with deep sector experience and a can-do approach covering the full spectrum of commercial and business law issues. When it comes to multi-jurisdictional transactions, our worldwide presence and experience managing sophisticated cross-border commercial deals sets us apart. *Chambers Global* notes that DLA Piper, as a Band 1 ranked firm in Commercial Contracts, is a "distinguished firm recognized for advising clients on high-value, complex, multi-jurisdictional commercial transactions where clients benefit from DLA Piper's extensive global footprint and expertise in a range of diverse practice areas that are often relevant to commercial transactions."

Companies deal on a daily basis with a myriad of relationships and contracts that bind them to their suppliers, customers, licensors, and distribution and other strategic partners. Our global Commercial Contracts practice helps structure these relationships and guide clients through the complexities to ensure their contracts provide the necessary framework for success.

In addition to our highly recognized global Technology Transactions and Strategic Sourcing practice, our global Commercial Contracts practice advises some of the world's largest companies on all manner of business-critical national and international commercial transactions, among them sales, agency and distribution, e-commerce, joint ventures and collaborations, manufacturing, logistics, licensing arrangements and university spinouts, to name a few. We represent some of the world's largest and most successful businesses across a broad range of industry sectors, from manufacturing to retail, hospitality and leisure, life sciences and technology to automotive, financial services, energy and government contracting.

In every major commercial center around the world, we have experienced sector-focused lawyers who truly understand local rules, business practices and customs, who work together as a cohesive team, who can call on the resources of our global firm and who share a common client service ethic.

### EXPERIENCE

- Representing numerous international companies which are household names in the retail sector in relation to geographic expansion of their businesses into multiple new territories across EMEA and Asia Pac. Through our offices across these regions, we provided turnkey strategic advice and a local law/compliance service to support our clients' expansion programs.
