Joel Cox has considerable experience advising on all aspects of public and private company M&A, equity capital markets transactions and private equity and venture capital transactions.

Joel regularly advises on complex cross border M&A, including regularly acting for US listed companies acquiring Australian companies. Joel also regularly advises on all types of corporate fundraising, including initial public offers on the Australian Stock Exchange.

Joel is one of Australia's most active advisors to technology companies of all sizes from start-ups through to multi-nationals and an advisor to many technology focused venture capital funds in the Asia Pacific region. This includes Joel advising many of Australia's fastest growing technology companies, including SaaS, financial services technology, ecommerce, consumer hardware, cloud, education technology and health technology companies.

Joel is also a leading Australian advisor to corporate venture funds and he works closely with Asia Pacific incubators and accelerators and with many angel investors.
