AREAS OF EXPERIENCE

- Commercial Contracts
- Commercial litigation
- IT/Privacy law

KEY EXPERIENCE

- Advising a large Dutch Telco operator on the restructuring of its partner network
- Advising a large Dutch bank on a dispute with one of its IT-vendors and conducting legal proceedings in respect of this dispute. The dispute pertained to the questions whether the bank had - compared to the actual deployment - failed to procure sufficient licenses
- Advising an international bank on the development of an online platform for processing bank guarantee applications through the use of blockchain technology
- Drafting various IT-outsourcing/software development/licence agreements and conducting negotiations in this respect

- Advising a large content protection vendor on all legal aspects related to the said vendor's sales and procurement related activities, ranging from licensing-, sales-, VAR-, R&D- and procurement agreements
- Advising an international IT-vendor on a dispute with one of its customers and conducting legal proceedings in this respect. The dispute pertained to an allegedly failed IT-project
- Advising one of the largest Dutch insurance companies on the implementation of a franchise network and drafting all relevant agreements
- Conducting various legal procedures in respect of the termination of commercial agency agreement

New Dutch Franchise Act poses challenges for franchisors

1 July 2020
FranCast

The legislation offers a number of protections to franchisees, which will be problematic for foreign franchisors who transact with well-established Dutch franchisees. The law will take effect on January 1, 2021, although it provides a two-year transition period for existing agreements.
