Mary is a team player who has experience drafting inter partes review petitions, claim construction briefing, discovery-related motions, summary judgment motions, written discovery, infringement and invalidity contentions, and meet-and-confer correspondences.

- Patent Litigation

She received her law degree from Stanford Law School, where she received the Judge Thelton E. Henderson Prize for her work at the Juelsgaard Intellectual Property and Innovation Clinic, and Gerald Gunther Prizes for Outstanding Performance in Property and Copyright. She received a bachelor's degree in civil engineering, *Phi Beta Kappa*, from Massachusetts Institute of Technology where her senior thesis focused on quantifying interference effects in time-resolved spectrofluorometry of pyrene.
