As a result of the conflict in Ukraine, the UK, the US, the EU and their allies have imposed additional sanctions on Russian state actors and entities of economic and strategic significance to the Russian state, along with targeted restrictions on certain commercial activities with Russia.

ESG finance: Global warming has become a hot topic

7 June 2021

Corporates and lenders are increasingly considering the possibility of “green” or “sustainability-linked” bonds, loans and derivatives, in the face of scrutiny from activist investors and lenders and allegations of greenwashing.
